

COMPAC

The Colorado Medical Political Action Committee

What is COMPAC?

COMPAC is the bipartisan political action committee of the Colorado Medical Society. Its goal is to support and elect pro-medicine candidates on the state level.

What does COMPAC do?

COMPAC engages in candidate support activities by contributing money raised through voluntary contributions from members of the medical community to candidates that are supportive of medicine's legislative agenda. COMPAC also assists candidates through in-kind contributions. Another way COMPAC assists candidates is through independent expenditures, which include media spots, direct mail, phone banks and other campaign related activities.

Why should I join COMPAC?

While your individual contributions to candidates are important, COMPAC represents the medical community as a whole. United, we can have a greater political and legislative impact.

To be successful, COMPAC needs your support and active participation. Participation can begin with becoming a member of COMPAC, but your involvement can extend to hosting a fundraiser for a candidate or perhaps volunteering for a campaign. And through the CMS Key Contact Program, you can help ensure that when legislation affecting the medical community is being debated, the concerns of physicians and their patients are voiced.

Why do you join an organization?

You don't buy a newspaper, you buy news.

You don't buy glasses, you buy vision.

You don't buy awnings, you buy shade.

You don't buy membership in an organization, you buy cooperation of people with whom you can join hands to do the things you cannot do alone.
