

COLORADO MEDICAL SOCIETY

The **Colorado Medical Society** has been the premier association of medical doctors in Colorado for over 134 years. According to its mission statement, adopted in September, 1988:

The Colorado Medical Society will be the leader in Colorado in advocating excellence in the profession of medicine and in the provision of medical care.

Through a variety of physician councils and committees, the **Colorado Medical Society** continually monitors public health concerns and proposed legislation relating to these and other health issues and recommends legislation which will work toward the betterment of public health and welfare of the medical profession and the patients it serves. All of the activities of the **Colorado Medical Society** are directed toward that end.
